MINING BUSINESS

Investment Highlights

- Abundant resources and potential coal (approximately 1.4 billion MT)
- Easy hauling & transshipment (concessions close to big river & anchorage point) with supporting infrastructures (hauling road & 2 ports)
- Operation & production licenses with all concessions already obtained clean & clear status
- Low production cost
- Good demand from India, China, & ASEAN market
- Huge potential for power plant projects (including mine mouth), coal gasification & liquefaction
